To activate your 2FA, click on your username and click 2FA:

The image shows a two-step process for activating 2FA. On the left, a dashboard titled "Dashboard - Account Not Secure. Enable 2FA" displays various metrics: Total Team Members (0), Direct Referrals (0), Left Team (0 BTC), Right Team (0 BTC), All-Time Total Bonuses (BTC 0.00), Binary Bonuses (Not Binary Qualified, Left: 0, Right: 0), Trading Bonuses (BTC 0.00), and Activation Wallet Balance (BTC 0.00000000). A yellow circle highlights the "Welcome YOUR USERNAME" text in the top right corner. A yellow arrow points to the right, where a zoomed-in view of the user menu is shown. The menu includes options: Edit Profile, Change Password, 2FA (highlighted in purple), and Logout. The background of the dashboard is dark blue with a Bitcoin logo and a glowing blue line.

Click the button to Generate your 2FA Code

Scan the QR Code with the Authenticator App on your mobile phone and complete the 6 digit code generated by the app. Then click ENABLE 2FA.
