

Welcome to the Team

Thank you

for choosing **Mirror Trading International!**

We are thrilled to help you **“Grow your Bitcoin”**

Your next steps;

1. Enable 2FA on your personal MTI Back Office Profile. This has to be done BEFORE any deposit is made into your MTI Trade Pool to make sure your profile is secure. [Learn more](#)
2. Deposit your bitcoin into your trading pool. The person that referred you can help with this process or you can opt to see the process on our resource portal on www.mtimembers.com or click [here](#).
3. Trades will start automatically the day after your Bitcoin deposit has been confirmed on the blockchain.
4. Any trade profit share due to you will be automatically added to your trade pool balance, you will receive a trade statement everyday. To understand your statement click [here](#).
5. MTI does not charge any administration fee, subscription or cancellation fees.
6. Remember that MTI is not a Financial Services Provider and results are not guaranteed.
7. You can withdraw on weekdays at no cost and withdrawals will take up to 48hours to be processed. To see the withdrawal process please click [here](#). Please note that 2FA has to be enabled for your withdrawal to be processed. Member security is our priority and your responsibility!
